2 2 community

New development, located at 10 minutes drive of the town of Águilas, one of the new popular areas at the Mediterranean. The apartments are built on a very calm location, close to the sea and beaches and in a very beautiful community. The development exists of apartments with 1 (our ref. NEW-0129a), 2 or 3 (our ref. NEW-0129c) bedrooms, distributed over different blocks. The 2 bedroom apartments have 2 bathrooms, an open living / dining / kitchen area and a VERY SPACIOUS terrace. There is also underground parking space and storage included in the price with pre-installation for charging point for electrical vehicles. Furthermore, the apartments come with air conditioning completely installed and part of the kitchen appliances. The buildings have a lift, and the community benefits 2 pools, a kids' pool, gardens, communal toilets, recreational and leisure areas, chill out zone, kids' play area, outdoor gym, games area, etc. All to make your life as comfortable as possible. Show house ready to be visited, don't hesitate.
