New project in Lo Pagan at about 200 m to Mar Menor and beaches and in walking distance to all needed amenities. There will be built 1 block of apartments over 3 floors, the block has a lift. The apartments have 2 bedrooms, 2 bathrooms (one ground floor apartment has only 1 bathroom), an open plan living / dining / kitchen area and terrace and an extra patio for the ground floor apartments. Included in the price are electric towel radiator in bathrooms, installed airco, automatic shutters, white goods and lED-lights. There is the option to buy underground parking pace and storage. There is also a communal pool with pre-installation for heat pump and a communal terrace on the solarium. Perfect property on a perfect location.
