3 2 community

New complex at the edge of the typical Spanish village of Pilar de la Horadada, in walking distance to all amenities and services, and only a short drive to the Medsea. All you need is there, nothing will be missed. The complex consists of apartments, bungalows (ref. NEW-0034b) and town houses (ref. NEW-0034c). The apartments are built over 3 floors: ground floor apartments with terrace and garden, middle ones with terrace and top floor apartments with terrace and solarium with shower, outside kitchen and jacuzzi. They all have 3 bedrooms, 2 bathrooms, spacious living / dining / kitchen area and laundry room. Included in the price are private parking space (underground or on the residence), white goods and pre-installation of airco. The community has a beautiful communal area with pool and kids' area, and pre-installation for charger for electric vehicles. Ask us for more information or a viewing.
