Are you looking for an INVESTMENT? Then this is something for you. New build TOURISTIC apartments in a superb location, 80 m from the Medsea and beaches in Torre de la Horadada, close to all daily amenities, some international golf courses, etc. The apartments are divided over 3 floors in each block. You have either ground floor with a terrace and garden, middle ones with terrace, or top floor with a terrace and solarium with summer kitchen, pergola, jacuzzi and artificial grass. Sea views from the middle and top floor apartments. They come with 3 bedrooms and 2 bathrooms, an open living/dining/kitchen area and laundry room. The closed residence benefits from a nice communal area with communal pool (one for adults, one for kids), kids' playground, green areas, and a basement with spa with heated pool, jacuzzi, gym, sauna, massage therapy jets and meeting room. All apartments have an underground parking space and storage included in the price, as well as completely installed airco airco by ducts, underfloor heating, white goods, lights, furniture, bed linen, decoration, etc. Ask us for the conditions of this project.
