A beautiful penthouse on the 5th floor for sale in the heart of Torrevieja, only 200 m from the harbour with its new commercial centre, in walking distance to all amenities and only 800m to the popular Playa del Cura and the Paseo Maritimo. The penthouse (built in 2023) comes with 3 bedrooms, 2 bathrooms, entrance hall and a good sized living / dining room with open kitchen. On the east facing terrace you can enjoy the morning sun with a cup of coffee. If you need more sun, you can relax on your private solarium with sauna that offers a lot of privacy. From there, there is direct access to a communal solarium with jacuzzi. Included in the price are underground parking space, airco, awnings, intercom, BBQ, underfloor heating in the bathrooms, white goods and the furniture. The building has a lift from the parking up to the solarium.
