3 | 2 | private

Affordable new build townhouses (3 middle ones and 2 corners ones) in the typical Spanish village of Avileses with everything you need in walking distance and only 20 minutes driving to the Medsea. The houses on one floor come with 3 bedrooms, 2 bathrooms, spacious and bright living / dining area and open kitchen. Thy have a good sized terrace with private pool and parking space for the car, and a beautiful solarium to catch the sun all day. The patio makes sure the houses are very bright and comfortable. You can also opt for a 2 bed villa. Included in the price are electric appliances in the kitchen, pre-installation of airco and LED-lights in- and outside. Let us have a look together.
