Luxury, spacious and bright south-west facing villa for sale in Lo Marabu, Ciudad Quesada, close to amenities and only 10 minutes drive to the Medsea with its white sandy beaches. The villa comes with 3 bedrooms (one currently used as office), 2 bathrooms, a guest toilet, and a spacious open plan living / dining room with open kitchen with wine fridge. There is plenty of outside space with a big garden/terrace on the ground floor with a cosy sitting area, a private pool (7m to 2,5 m) with heat pump and shower, a storage and a terrace on the first floor. There is parking space on the closed residence. The villa will be sold equipped with airco, solar panels, alarm system and will be sold fully furnished as seen. The villa has energy certificate A and has a tourist licence, so not only perfect for permanent living, but also as investment if you want.
