New project of 15 one level villas in the centre of La Marina, close to all amenities and only a short drive to the sea and beaches. The villas, there are 2 models to choose from, come with 3 bedrooms, 2 bathrooms and an open living / dining area with open kitchen. There is plenty of outside space with a garden with pool and parking space for the car and a good sized solarium. Besides the pool, also LED-lights in- and outside are included in the price, as well as photovoltaic panles which provides the villa with energy certificate A, fully installed airco, electric blinds and osmosis in the kitchen.
