Wauw!!! Amazing luxury villas in Dehesa de Campoamor, close to all amenities and only 200 m to the beaches, but still located in a quiet area. There is a basic design (910 000 euros for 197 sqm living area) and a premium design (1 100 000 euros for 270 sqm living area). The basic design is divided over 2 floors, the premium over 3 floors. Both villas come with 4 bedrooms, 4 bathrooms, bright and spacious living / dining area and open kitchen. There is a lot of outdoor space (plot is 500 sqm), with terraces and garden area. Included in the price is a 7 to 3 m pool, outside shower, automatic gate for the car, automatic blinds, underfloor heating in the bathrooms and airco installed. There are many options to choose from like underfloor heating throughout, solarium, extra rooms, heated pool, fireplace, rooftop jacuzzi, etc. In one word, the villa can completely be adapted to your own wishes. Make your appointment for viewing now with Maxgoldhouse to get all information you need.
